LIST OF REFERENCE MATERIALS

The Careers Information Library is located in the Basement of the Luke Wadding Library. This area serves as a resource centre for both students and staff.

It contains a wealth of information in the form of reference files, information leaflets, career booklets, employer information, employer directories, postgraduate study booklets and directories.

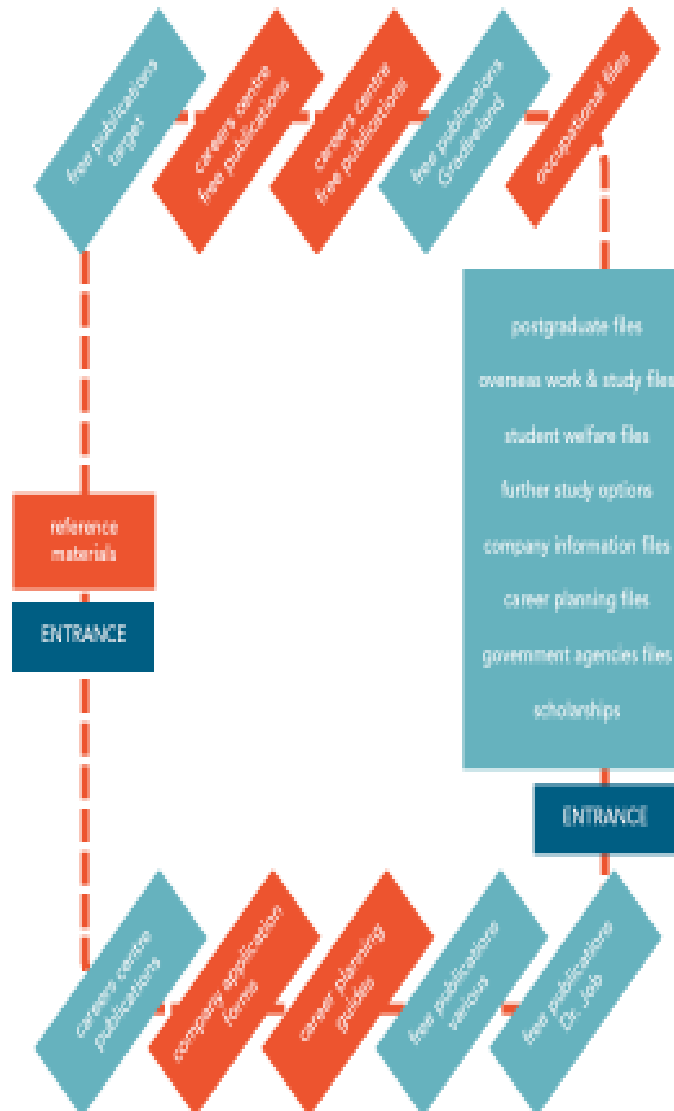

Please feel free to take copies of the relevant booklets if multiple copies are available. Reference materials are security tagged and should not be removed from the premises. A list of these publications is included in this brochure. There are four desks available in this area for the purposes of careers research.

Don't forget that further self-help resources are available online at:

www.wit.ie/careerscentre
www.gradireland.ie
www.prospects.ac.uk

If you have questions relating to any careers information please don't hesitate to contact the Careers Centre at careers@wit.ie
